February 2, 2006

Sir:

The Declaration submitted with the Amendment filed January 13, 2006, in the above-identified application, is noted. Such Declaration as submitted with this Amendment filed January 13, 2006, was not signed, and it was indicated on page 3 of the Amendment that a signed Declaration would be submitted when received in the offices of the undersigned.

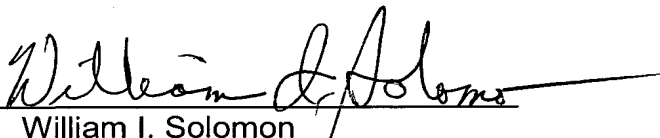

Accordingly, enclosed please find the Declaration signed by Mr. Ichikawa. Note the Experiment as described on page 2 of the Declaration, and note also the Conclusion on page 3, wherein it is stated that while all animals in the group which did not receive Compound 1 died, those receiving Compound 1 survived; thus, the experimentation shows that Compound 1 prevented mortality.

Entry of the Amendment submitted January 13, 2006, and entry of the presently submitted signed Declaration, and reconsideration and allowance of all claims presently in the application, are respectfully requested.
